<b>What date would you like coverage to start?</b> The premium can be pro-rated. Your coverage ends with the common renewal date of May 1 <sup>st</sup> . You can choose any start date. Binding and confirmation of coverage will be e-mailed or mailed only once we receive payment in full. You can make the effective date the beginning or the end of a particular month. However, if your desired effective date is part way through a month, that month must count as a full month.							
<b>How do I arrive at the premium?</b> As an example, if your effective date is March 15 <sup>th</sup> and your property limit is \$40,000, you would take \$300 premium as shown in the above chart, divide by 12 and multiply by the 2 months until renewal of May 1 <sup>st</sup> . ( $\$300 / 12 = 25 \times 2 \text{ mths} = \$50 \text{ Premium} + \text{PST if applicable}$ )							\$
